Entrance Porch

Accessed via a UPVC double-glazed door, the porch features tiled flooring, a central heating radiator, and a power point. A glazed door leads into the main entrance hall.

Entrance Hall

A welcoming and neutrally decorated space that creates a feeling of openness. The hall provides loft access via a pull-down ladder, with the loft being fully boarded. There is a central heating radiator, power points, and a storage cupboard. Internal doors lead to all accommodation.

Living Room

A generously sized and light-filled lounge with two UPVC double-glazed windows to the front aspect. The room features an electric fire as the central focal point, two central heating radiators, and access to the conservatory via a UPVC double-glazed door. Additional features include TV and power points.

Dining/Kitchen

Perfect for family meals, this space includes wall and base units with complementary splashbacks. The roll-edge work surface houses a four-ring gas hob with an extractor above, a 1.5-bowl sink with a mixer tap, and a fitted oven. There is space and plumbing for a dishwasher. The room benefits from tiled flooring, spotlights to the ceiling, and two UPVC double-glazed windows to the rear aspect. The dining area comfortably accommodates 4 to 6 people, with doors leading to the conservatory and utility room.

Utility Room

A practical space with base units and a work surface matching the kitchen, housing a sink and drainer with a mixer tap. There is space and plumbing for a washing machine, tiled flooring, a central heating radiator, and access to the rear garden via a UPVC double-glazed door. The gas central heating boiler is also located here.

Conservatory

A spacious and versatile reception area connecting the kitchen and lounge. It features laminate flooring, a central heating radiator, and UPVC double-glazed windows. French doors provide views and access to the garden, making this a perfect additional living space.

Bedroom No 1

A double bedroom with a UPVC double-glazed window to the front aspect, providing plenty of natural light. Additional features include a central heating radiator, coving to the ceiling, power points, and access to the en-suite.

En-Suite

This modern en-suite comprises a low-flush WC, a vanity-style sink unit with storage beneath, and a walk-in mains-fed shower cubicle with a glazed screen. The walls and floor are tiled, and there is a chrome heated towel rail and spotlights to the ceiling.

Bedroom No 2

Another well-proportioned double bedroom with dualaspect UPVC double-glazed windows, laminate flooring, coving to the ceiling, a central heating radiator, and power points.

Bedroom No 3

A versatile space suitable as a single bedroom, home office, or hobby room. It includes a central heating radiator, power points, coving to the ceiling, and a UPVC double-glazed window.

Shower Room

A stylish three-piece suite comprising an inset sink unit with storage beneath, a low-flush WC, and a mains-fed rainfall shower cubicle with sliding glazed doors. The shower area features wet wall boarding, with tiled walls and flooring throughout. Additional features include a heated towel rail and spotlights.

Outside

The property is accessed via a private road shared by three individually built bungalows. A patterned concrete driveway offers ample off-road parking, complemented by a lawned frontage and gated access to the rear garden. The garage, with an up-and-over door, power, and lighting, provides additional practicality. The private rear garden features a paved patio area and a lawn, with gated side access to the front. A rear pathway leads to a pedestrian door into the garage, and there is an outside tap for convenience.
